## CAPTAIN'S GALLEY

Captain's Galley Seafood Restaurant was started in 1981 by three Greek brothers- Andreas, Tasios & Gus Kazakos in the small town of Stony Point, NC. Our business was built on serving quality seafood that is hand breaded and seasoned, then served fresh to our valued customer, in a family style atmosphere. Our items are homemade or made from scratch including our hushpuppies, onion rings, sauces & slaw. Every Captain's Galley has invested a managing partner to ensure our customer has a satisfying experience. Please visit our other locations in North Carolina & Tennessee. We sincerely appreciate your business. Thank You.
